Niagara District Junior B Hockey League (1960-1979)

This is a statistical review of the Niagara District Junior B Hockey League from the 1960-61 season until the 1978-79 season which was last season that the league competed.

The newspapers searched were Welland Evening Tribune, St. Catharines Standard, Niagara Falls Review, Hamilton Spectator, and Brantford Expositor. All regular season stats were printed in these newspapers and all playoff stats were compiled from summaries in these papers by me.

One of the features of this league is that since some of the cities in the league also had Junior A teams, these Junior B teams were feeder and farm teams of the higher league team with rules that limited on how many players could move down to the Jr B teams to keep a competive balance between the teams. A lot of players on the St. Catharines, Hamilton and Niagara Falls area teams went up to the OHA Jr A teams and the later Jr A leagues that sprouted up in the 1970s.

The league fractured when the the two Hamilton teams and St. Catharines left to form the Golden Horseshoe Junior B after the 1973-74 season. The league then disappeared after the 1978-79 seaon when Niagara Falls, Welland and Fort Erie joined this new league and the remaining three teams Port Colborne, Dunville and Thorold dropped down to the Jr C level.

In 1960-61 the league played an unbalanced schedule. Simcoe & Dundas were a Jr C teams and did not participate in league playoffs. 1n 1961-62 each team in the league played a one game home and away schedule against the St. Michael's Buzzers which counted in the league standings and Fort Erie played in Jr C playoffs. in 1972-73 Brantford reorganized and change the team nickname from the Selects to the Diamond Kingson December 4th.
